Your remittance represents your annual membership dues in the Asheville Home Builders Association. With this payment you acknowledge that a portion of these dues also covers your membership in the North Carolina Home Builders Association and the National Association of Home Builders. Membership requires your attendance at a new member orientation. Membership dues are non-refundable after Board Approval.

Dues payments to the Asheville Home Builders Association are not deductible as charitable contributions for federal income tax purposes. However, dues payments may be deductible as ordinary and necessary business expense, subject to an exclusion for lobbying activity. Since a portion of your dues is used for lobbying by the AHBA, NCHBA and NAHB, \$13.80 of your membership dues are not deductible for income tax purposes.

Applicant agrees to abide by the Constitution and Bylaws of the Asheville Home Builders Association, of the National Association of Home Builders of the United States with which it is affiliate, and of the North Carolina Home Builders Association. I understand and agree that failure to provide true and complete answers on this application will result in rejection for membership. I further understand and agree that the AHBA has broad discretion in deciding whom it admits as members, and that if the AHBA makes a good faith decision to reject this application, I or my company, must wait at least 2 years before applying for membership again. I authorize the Associations to send communications to the email and fax listed above. These numbers will not be shared with third parties.
