

Asheville Home Builders Association Battle of the Builders Pledge

Business Name: _____ Phone: _____

Builder Name: _____ Email: _____

Thank you for your pledge to participate in the 2008 Annual Battle of the Builders! This year, instead of having one event focused on raising money for several charities, the AHBA has decided to concentrate efforts on one charity we've found to be in dire need, Manna Food Bank. Your efforts to raise donations for this important charity will help to feed thousands in our community! One \$10 donation can feed 25 people! As you begin collections for this tight competition, please keep in mind the following details:

- ❖ The AHBA will keep a list of participating builders, their company names and the number of donations they have collected on a running tabulation on the website throughout the month of November.
- ❖ Each item equals one donation and each dollar donation is equivalent to one item donation.
- ❖ Each participant can collect cans at their own location, or bring them to the AHBA. All items must be brought to the AHBA office by December 10, 2008.
- ❖ Anyone can donate in a builders name by bringing cans to the AHBA office and telling a staff member the name of the builder they are supporting. We will record it and add their donation to your total. It is the responsibility of the builder and their supporter to notify the AHBA when cans are donated in their name.
- ❖ On December 12, 2008 at the AHBA Christmas Gala, the AHBA will crown the builder who collects the most donations the winner of the "Mr. HBA" title. The winner will receive a prize and the coveted "Pink Hard-hat" trophy to keep until next year's competition.
- ❖ **MOST NEEDED ITEMS IN A FOOD DRIVE:** Canned meats, peanut butter, canned tuna, meals in a can/beef stew, and/or chili.
- ❖ You can visit www.AshevilleHBA.com anytime to see the competition stats and for tips on successful collection techniques.

As a participant in the 2009 Battle of the Builders: "Builders Battling Hunger" competition, I will collect a minimum 50 cans OR donate a minimum of \$50.00 to Manna Food Bank.
