Address Correction Requested

When you hire a remodeler, you are purchasing a service. The quality of service the remodeler provides will determine the quality of the finished product and ultimately determine your satisfaction with the results.

To ensure your satisfaction, you need to hire a qualified, professional remodeler.

Choose a member of the AHBA Remodeler's Council to ensure that your completed job is a professional job.

REMODELERS COUNCIL

A Public Resource for Professional Remodeling Services

828-299-7001
www.AshevilleHBA.com

Why Remodel?

- improve energy-efficiency and home functionality
- modernize your style
- decrease upkeep and maintenance
- increase your comfort
- modify for "aging in place"
- increase market value

Popular Remodeling Projects

- kitchen remodeling
- bathroom remodeling
- room additions
- basement finishing
- siding, decks, and roofing
- windows, doors, insulation, and climate control systems

Remodeler Designations

Through the National Association of Home Builders Remodelers can earn accredited designations.

Certified Graduate Remodeler (CGR)

Completed specialized training in many areas of remodeling, from field expertise to business management.

Certified Aging-In-Place Specialist (CAPS)

Completed specialized training to understand the home modifications necessary for mature adults to remain in their homes while maintaining their independence.

Why should you choose a Member of the AHBA Remodeler's Council?

We are committed to providing citizens of the Asheville area with a list of reliable and responsible professionals who specialize in remodeling.

We strive to provide our members with varied opportunities for education and the exchange of ideas, information and resources.

We advocate professionalism, business and technical excellence and responsible government while representing the interests of the remodeling industry to regulatory, legislative, media, trade and consumer groups.
